Summary

I'm on track to complete my Full Stack Web Development course by being accepted through an internship but I'm also open to start an internship apart from the course.

I hope to gain more knowledge and experience with your company in which the role advertised seems a good fit for me to get a foot into the industry. I have a link above for a portfolio briefly displaying my abilities as a web developer.

Red River College Co-op Coordinator: Olha Shevchenko

oshevchenko2@rrc.ca

I have reference below of a manager from a previous career in which you should be able to find out about my work ethics and more if needed.

Experience

Red River College - Student

Full Stack Web Development

Winnipeg, MB

January 2023 - September 2024

- TERM 1:** Acquired skills in back-end (server-side) web development, focusing on the architecture and functionality of web applications.
- TERM 2:** Developed expertise in front-end (user-facing) web technologies, emphasizing user experience and interface design.
- TERM 3:** Gained proficiency in troubleshooting, designing, and building web applications.
- TERM 4:** On track to complete the course through a co-operative work placement or industry project.

A&B Mechanical

Level 1 Plumber Apprentice

Winnipeg, MB

February 2022 - March 2023

As a Level 1 Plumber Apprentice, I supported the journeyman plumber on various job sites. My key responsibilities included:

- Assisting the journeyman plumber with tasks.
- Preparing work areas by cutting holes for pipes and aligning them.
- Cutting, threading, and reaming pipes to specifications.
- Assembling and securing pipe components with tools.
- Soldering copper pipes for leak-proof joints.
- Installing and mounting PEX pipes.
- Installing plumbing fixtures like toilets and taps.
- Fabricating and installing pipe hangers for support.
- Maintaining and repairing gas, water, and heater lines.
- Painting gas pipes and installing backboards behind drywall.

Throughout my apprenticeship, I demonstrated a strong work ethic, teamwork, attention to detail, and a commitment to learning plumbing skills, contributing to the team's success and reputation.

Black & McDonald

Co-op Student

Winnipeg, MB

October 2021 - December 2021

Worked as a co-op student shadowing multiple journeyman through various job sites. Gaining hands on experience and apply skills learned in class.

Nestor's Aquarium and Pets
